**MARCH 2022**

My daughter said to me as we listened to the news, "Is this, like, the Four Horsemen of the Apocalypse or something?" War in Ukraine (not to mention the ongoing conflicts in other places in the world); Plague- as covid-19 spreads rapidly through WA; floods in Queensland, bushfires, climate change..... and sadly, so much suffering and destruction brought about by humanity. Why are we humans so wantonly destructive, greedy and cruel?

You may say- but I'm not, I didn't start a war! Of course you didn't, but we all have a part to play, however small, in what happens in and to the wider world.

As Lent begins, let us take the time to look within: at our society, our country, the economy, and of course our church; and let us seek the way of peace in everything we do. We are called upon to love unconditionally, generously, abundantly- as we are loved by the One who created everything and said it was very good. So let us seek to discover what that means in our lives, in terms of how we act, vote, conserve, and interact with others in our communities and beyond.

The Holy Spirit will teach us, and even in the midst of calamity there is always hope to be found.

*God bless, Lorna*

# St Nic's

3rd Saturday of every month 9am-11am

First recycling day: 19 March

# Recycling

As a parish we continue to embrace the 5 Marks of Mission. The 5<sup>th</sup> Mark calls us to safeguard the integrity of God's creation, and to this end we are starting the St Nic's Recycling Hub. Our goal is to divert items to organisations that can upcycle or reuse them, rather than have them end up in landfill.

The Hub will operate every 3<sup>rd</sup> Saturday of the month\* (9am-11am) and accept the following items:

Plastic lids

Toothbrushes & Floss Containers

E-Waste & Mobile Phones

Bread tags

Household Batteries

Light Globes

Plant pots

Printer Cartridges

Containers for Change

The Hub is available for anyone in the community to use, so please take some of the brochures that explain it in detail and pass around to your friends and neighbours.

\* IMPORTANT NOTE: Please do not bring recycling to St Nic's other than on the 3<sup>rd</sup> Sat of the month between 9-11am. There is no storage on site and we will not be able to accept it.
