## RECYCLING HUB

Our next **St Nic's Recycling Hub** is Saturday, 16 July, 9-11am, or especially for parishioners, our mini-Hub will be available after each service on Sunday, 17 July.

Last month we were thinking about RECLAIMING as much waste as possible, but we can't RECLAIM it all. If we REFUSE to use single-use plastics we begin to be the solution to the problem. Start small and AVOID packaged fruit and veg, swap the disposable picnic plates with reusable ones, refuse the straw or have your own reusable straw, use a keep cup instead of a disposable one, the list is endless. Pick one and make it a habit ... then pick another, and repeat!

Everything you need to join in the service is on the screen.

The Liturgy is taken from *A Prayer Book for Australia*.

Youth of all ages are invited to join our Sunday School stories, reflections and games. This is in the hall during the 09.30 service in term-time, after a blessing from Revd. Lorna. They then re-join their families for Holy Communion.

The family room is available for any children and parents who need a quiet space. There are also activities and books at a small side-table in the church for young worshipers who need to wriggle or entertain themselves during the service.

We no longer pass the plate around, so please put your offering in the bowl near the font before the service or during the offertory hymn. To make your offering using bank transfer or direct debit these are the bank details:
