

# What to expect at St Nic's:

## You are welcome!

You are welcome if you are here for the first time or if you've come every week since the church was built.

We welcome those who are single, married, divorced, widowed, gay, confused, filthy rich, comfortably-off, or dirt-poor.

We extend a special welcome to wailing babies and excited toddlers.

We welcome you if you can sing like an angel or just growl quietly to yourself.

You are welcome here if you're just browsing, just woken up or just got out of prison.

We don't care if you're more Christian than an Archbishop or if you haven't been to church since Christmas 10 years ago.

We welcome those who are over 60 but not grown up yet, and teenagers growing up too quickly. We welcome keep-fit mums, football dads, tree-huggers, latte-sippers, vegans and junk-food eaters. We welcome those who are in recovery or still addicted. We welcome you if you're having problems, down in the dumps, or don't like organised religion.

We offer a welcome to those who think the earth is flat, work too hard, don't work, can't spell, or are here because visiting Granny means taking her to church.

We welcome those who are inked, pierced, both or neither. We offer a special welcome to those who could use a prayer right now, had religion shoved down their throats as kids or got lost and wound up here by mistake.

We welcome seekers, doubters, visitors, the faithful and the uncertain; and we welcome YOU!

Jesus welcomes everyone so we reckon we will too.

## New to church? Haven't been for a long time, never been at all? Not sure what to expect here at St Nicolas Anglican Church?

- + There is a car park outside St Nicolas' Church, and a bus stop nearby.

- + It is always free to come to church!

- + Before you leave home: wear whatever feels comfy, there is no dress standard.

- + If you have little children, bring a drink and snacks for them and maybe some toys- preferably toys that don't sing or talk loudly! We have toys, and a Family Room if little ones or their parents need a break.

- + If you have school-aged children they can go out with other children to Sunday School or stay with you, either is fine.

- + Someone will greet you at the door. They may have a newsletter to give you- we print one every month.

- + You can sit wherever you choose.

- + Everything is on the screen at the front of the church so you don't need any books

- + The service begins at either 7:30am or 9:30am (9:15am on Wednesdays)

- + There is music at 9:30 so the service begins with a hymn or a song; the words are on the screen

- + Then there is a welcome and prayers, and then the children go out (during term-time)

- + You won't have to memorise anything; the words you can join in with are on the screen, and the person at the front tells us when to sit down or stand up (if you are able to stand)

- + An Anglican service has prayers; readings from the Bible; a talk about the readings (the sermon); and, generally, Holy Communion.

- + There is a bowl for people to offer money for the church; some people put theirs in an envelope, some put cash into the bowl, some give via direct debit or electronic transfer. Some give weekly, some monthly; if you don't have any money then it doesn't matter. Money collected keeps the church running and helps local and overseas charities and missions.

- + When it is time for communion a sides-person will direct people to come forward. Everyone is welcome to receive the bread and the wine; if you are not sure or not comfortable to do so, you may come for the priest to bless you. Fold your arms across your chest so she knows.

- + After the service we have morning tea; every week after the 9:30 service and monthly after 7:30am. We go into the hall and (weather permitting) out to the patio area. Everyone is invited to stay for tea or coffee and a chat.
